Louise Hatton Is Talent Show Tops

Louise Hatton, won first place in the Talent Show at the Prince Theatre, Tuesday night and Lewis Collins came away with second place. It was a close call between Collins and Patrice Kumer.

Miss Hatton offered "Smoke Gets In Your Eyes," and returned to sing "Stormy Weather." Miss Hatton's charming personality and lovely voice highlighted the show.

Lewis Collins displayed a lot of talent at the piano. Lewis offered "Sentimental Journey" and encoored with "Here Am I Broken Hearted."

Patrice Kumer had a bad break in her presentation. The amplifier backstage burned out just before the show started and her first number was practically lost to the audience. Miss Kumer sang "All of Me" and obliged with "Forgive Me."

Two acts failed to appear for some unknown reason—Malcolm Millar announced one of his guest stars from Belle Glade had taken ill and was not able to present her tap dancing routine. His other act could not be presented on the small stage.

Next Tuesday was announced as the Grand Finale night and the crowd was advised to get in early if they expected to find seats.

Dedication Is Set For Clewiston Church

Rev. John C. Petrie, vicar of the Episcopal churches at Pahokee and Clewiston announces the order of events for Dedication Day, next Sunday August 24 at St. Martin's Clewiston. At 9 a. m. the Right Reverend Henry I. Louttit, D. D., bishop of the diocese of South Florida, will celebrate Mass in the Clewiston church. At 1 p. m. he and the Confirmation class will be guests of honor at a dinner at the Clewiston Inn. At 2:30 p. m. the Sacrament of Confirmation will be administered in the church by the bishop who will immediately proceed to the ceremony of dedicating the new vicarage which is now almost completed. A considerable number is expected to attend from this section. Dinner reservations are to be made through L. A. Futch, Clewiston.

Rainbow Girls Party

The Rainbow Girls of the Pahokee Rainbow Assembly are enjoying a house party at Surf Cottages at Palm Beach Shores this week. Accompanying the group were Mrs. Manning I. Keen, mother advisor and Mrs. R. A. Sizemore.

Skating Party

Members of the Youth Fellowship group of the First Methodist Church in Pahokee enjoyed a skating and swimming party in West Palm Beach Saturday afternoon. Accompanying the group as chaperones were Mr. and Mrs. Wm. Sheffield and Mrs. B. Elliott.

Dr. Kidder Talks To Pahokee Rotarians

Dr. Clarence Kidder, Veterinarian, was guest speaker at the Pahokee Rotary Club Thursday noon at the Woman's Club building. He spoke on the cattle disease "Anthrax." He was introduced by Hank Aldridge, C. G. Willis and Joe Brown, who have been away for several weeks in the produce business, were welcomed back to the club, and Harold Wetzel, new administrator at the Everglades Memorial Hospital, was welcomed as a guest. He was introduced by Paul Rardin, county commissioner.

Fashion Show By Gardenia Circle

The Gardenia Garden Circle of the Pahokee-Canal Point Garden Club will sponsor a Fashion Show in the County Park Community Building in November, according to Mrs. Anderson Chastain, who is to be in charge of arrangements for the show.

Proceeds from the fashion show will go into a fund which the Gardenia Circle will use to help in its beautification and clean-up projects in Canal Point. Everybody who can sew or design is invited to participate, Mrs. Chastain said. All outfits entered in the show will be judged by out of town judges. Useful prizes will be given to winners.

It was pointed out by Mrs. Chastain that those taking part in the fashion show will have an opportunity to win a prize and at the same time become a part of the beautification projects to be carried out more information may call Mrs. Chastain.

Several Visitors At Breeding Station

Recent prominent visitors to the local Federal Sugar Cane Breeding Station included Dr. E. V. Abbott, Principal Sugar Cane Pathologist in charge of the U. S. Sugar Plant Field Station, Houma, Louisiana and Dr. Joseph P. Martin, Honolulu. These sugar cane disease experts had just returned from a mission to investigate a disease situation in sugar cane fields in Peru.

Dr. J. C. Skinner, Sugar Cane Geneticist, Bureau of Sugar Experiment Stations, Brisbane, Queensland, Australia was a prominent visitor last week to the local Sugar Cane Breeding Station and to other sugar cane research laboratories in the Everglades. Dr. Skinner was on a tour of prominent plant breeding research institution in the county after completion of graduate work at the University of Manchester, England.

Mr. and Mrs. Valton Sheffield, Highway Patrolman with the Pahokee District for the past four years, have gone to Cross City where Mr. Sheffield was transferred, to make their home. Mr. Sheffield asked for the transfer in order to be near his mother who is ill.

Mr. and Mrs. Blake Dunson have returned to their home here after spending two weeks vacation in Ft. Lauderdale.

Lions Pay Honor Judge Larrimore

Judge W. J. Larrimore of Pahokee was honored by members of the Pahokee Lions Club Tuesday at its weekly luncheon meeting at the Lions Hall. He was introduced by John A. Dulany, who after outlining his accomplishments presented him with a gift from the club.

Judge Larrimore, one of the pioneers of this section, came to Pahokee in 1922 to open the first general store in this community, after losing his business in a fire in Moore Haven in 1920.

In the early days the Judge served as mayor of the town for five years, and was elected justice of the peace in 1933. In a recent interview Larrimore estimated that during his term in office he has tied the matrimonial knot for more than 1,000 couples, and in some cases has tied it a second time when couples were divorced and remarried.

During the business session at the meeting Melvin Spooner, chairman of the agriculture committee reported that the club has purchased 16 head of cattle, making them owner of 22 head. These cattle have been distributed among the cattlemen members who will pasture them. A Plan has also been worked out whereby each member may participate in the project by paying pasture fees, Spooner said.

District Deputy Governor Miller of West Palm Beach was present and spoke briefly.

Foundation Work Started On Church

Work started this week on the foundation for the new Canal Point Methodist Church which will be erected at a cost of \$20,000. When completed the new building will house the church sanctuary, pastor's study, and a choir room.

The building program calls for a 28-foot addition to the recently completed Sunday School Building, and a breezeway connecting the two buildings.

Charlie Yoemans is foreman of the job and N. V. Maxson and his son, Leonard, will lay the concrete blocks for the structure. Much of the work is being done by volunteer labor. The new church is being constructed on the original site of the parsonage which has been moved to a new location.

Tiny Diner Open

The Tiny Diner, between Pahokee and Canal Point is open for business under the management of Mrs. Lilly Chance. The Diner is opened at two in the afternoon and remains open until two in the morning. No regular meals are served but short orders are a specialty. Barbecued ribs are available for short orders, Mrs. Chance said, or they can be purchased by the pound to take home. Another feature of the Tiny Diner is the "World's largest hot dog."

Mr. and Mrs. M. D. Geiger and daughter, Patsy, have returned to their home from Ruskin where they spent several days.

Glades Appliance Gives Big Reduction

Glades Appliance Corporation of Belle Glade announces discontinuance of its appliance business and a drastic reduction of 20 percent off list price to clear the shelves. In the future the concern will devote its entire time and efforts to the lumber and building materials department.

The concern in announcing its big reductions in appliances prices states that all major appliances may be bought on easy budget terms. If you are in the market for any kind of appliances, you should call the Glades Appliance Corporation in Belle Glade today.

Monday's Cattle Bring \$71,166.25

There was 667 cattle and 4 horses sold at the weekly auction sale at the Glades Livestock Market Monday for a return of \$71,166.25.

Prices on both slaughter and stocker cattle were steady to strong. Slaughter cattle prices according to grades were, steers, commercial grade, \$24.25 to \$26.75; utility, \$20.50 to \$24.00; cutter, \$16.00 to 20.50; canner, \$12.50 to \$14.75.

Calves, commercial, brought \$24.50 to \$26.50; utility, \$18.50 to \$23.50. Cows, commercial, \$22.75 to \$23.75; utility, \$20.25 to \$21.75; cutter, \$15.75 to \$19.75; and canner \$12.75 to \$15.75. Bulls, cutter, brought \$18.00 to \$21.50.

Stocker cattle according to grades returned the following prices; steers, medium grade, \$23 to \$24.25; common, \$19.00 to \$22.50; inferior, \$17.25 to \$19.25. Calves, medium sold for \$25.00; common, \$18.50 to \$21.50 and cows, inferior, brought \$11.00 to \$13.50.

Ten steers averaging 768 pounds returned \$25.56. One sold as low as \$23.50 and 4 at \$26.75.

Girls State Work Report Is Given

Miss Anne Atkins, representative from Canal Point American Auxiliary, to Girls State in Tallahassee, gave a report on the Girl State Activities at a meeting of the Auxiliary Tuesday evening at the home of Mrs. M. C. Carter in Port Mayaca.

During the business session Mrs. Nell Hollon was re-elected president of the auxiliary. Other officers chosen during the election were: Mrs. Dee Maxson, vice president; Mrs. Carter, recording secretary and treasurer; Mrs. Dorothy Rogers, corresponding secretary; Mrs. Ella Hewell, chaplain; Mrs. Melba Johnson, sergeant-at-arms; and Mrs. Cletis Hand, assistant sergeant-at-arms.

The two gold star mothers of the auxiliary, Mrs. Hewell and Mrs. W. M. Baker, were present and Mrs. J. S. Atkins was a guest.

If working in the garden is your hobby, keep track of what you planted and where it is. Paste the empty seed package to a clean wooden stake with a coat of shellac. Added protection is gained with a shellac coat over the outer surface.

Pahokee Boat Club Organized Monday

The interest which has grown out of the boating and skiing activities on Lake Okeechobee this summer may develop into one of Pahokee's greatest attractions for tourist, the utilization of the lake for water sports.

As a result of these activities a group of citizens met at City Hall Monday night and formed a boat club to be known as Pahokee Boat Club. The club will spearhead a movement to improve the waterfront and to secure a harbor for Pahokee by erecting a breakwater near the city dock. Membership in the club will be extended to citizens of all the towns around the lake.

James H. Wilson was elected president of the club. Other officials chosen were: W. R. Wilson vice president; Mrs. Jane L. Rieker, secretary; and Mrs. Alys M. Okie, treasurer. Directors named were, Dr. E. J. Graham, Dr. R. R. Long and R. L. Brooks.

The new president appointed the following safety committee to draw up safety rules for the club: James Smith, Billy McKinstry and Ferry Duke.

The organization fee was set at \$2.50 and the next meeting was scheduled for August 26 at City Hall.

Power Company Is Growing With Area

This area continues to show a favorable rate of growth according to figures on new electric services connected, released by Curtia Chase, District Manager for Florida Power and Light Company. The number of new electric services connected each month is considered a reliable index to the number of new buildings completed.

"During the month of July, in our Glades District," Chase said, "we connected twenty new electric services, a 25 per cent increase over the sixteen new connections made in July of last year."

"These figures reflect favorably on our area, showing that, despite defense restrictions, construction of buildings locally continue at a healthy rate."

"Most of our new service connections have been to new homes, indicating that our people are prosperous. They have either built new homes or are moving into homes which they have purchased 'brand new.'"

Chase said Florida Power & Light Company is continuing construction of new generators whose electricity will go into the company's statewide system of lines serving this and other areas.

The continued growth of this area, including new homes, stores, and industries, will be facilitated by an adequate supply of electricity. The power company this year will complete a 75,000 kw addition at its Cutler Plant. Work has already commenced at its Riviera Plant on another 75,000 kw addition to be ready next year. Eight other generators are proposed for construction through 1952.

Tampa Air Terminal Dedicated Sunday

TAMPA—Tampans turned out by the thousands last Sunday for the official dedication of the city's ultra-modern International Airport Building. The million dollar air terminal with its three magnificent 7,000 foot runways and its (instrument landing system), takes its place among the finest of the nation's airports.

Officials of the four airlines serving the area were among the distinguished guests as well as many local and state dignitaries. Planes of Eastern Air Lines, National Airlines, Trans-Canada Airlines and Caribbean International Airways landed and departed during the day-long ceremonies. Thousands of visitors took advantage of Eastern Air Lines invitation to inspect the new 83 passenger Super Constellation throughout the day. The gala ceremony was sponsored by the Greater Tampa Chamber of Commerce.

Roy Vandegrift, Jr. has returned from Philadelphia where he spent several days on business. Butch Phillips who has been visiting his uncle and aunt, Mr. and Mrs. C. M. Phillips in Naples has returned to his home.

Truck Lines May Increase Rates

TALLAHASSEE—The Florida State Railroad and Public Utilities Commission has granted all Florida truck lines authority to increase their rates on intrastate business approximately 11 percent to bring them more in line with rail rates which were recently raised.

Commission attorney Lewis Peteway said ordinary truck rates are higher than rail rates but the recent Interstate Commerce Commission action put rail rates above truck rates.

Mr. and Mrs. E. M. Schultz and daughter, Faith are vacationing in Ft. Myers for two weeks.

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on momentary things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Christian Science Group Of Canal Point

A recognition and universal acceptance of the oneness of Mind, or God, opens the way to heaven, harmony, as all glorify God by having that Mind which was in Christ Jesus. This is the keynote of services to be read in all Christian Science churches next Sunday when the subject is "MIND".

Two verses from the 67th Psalm (34) provide the "Golden Text": "Let the people praise thee, O God; let all the people praise thee. O let the nations be glad and sing for joy: for thou shalt judge the people righteously, and govern the nations upon earth."

The following from Proverbs (26) is among Bible selections: "For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "God is not separate from the wisdom He bestows. The talents He gives we must improve" (p. 6).

Mrs. Glenn Carr is able to return to her home in Pahokee after surgery at the Belle Glade Memorial Hospital in Belle Glade.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1962 can now continue to earn interest every year for ten more years—till 1972—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$100,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Watson Will Run On Republican Ticket

TAMPA—Former Attorney General J. Tom Watson announced last week that he would be a candidate on the Republican ticket for a seat on the Florida Supreme Court.

Watson qualified with Secretary of State R. A. Gray as Republican candidate for the seat made vacant through the death of Democratic Justice Roy H. Chapman.

Governor Fuller Warren appointed E. Harris Drew of West Palm Beach to serve the unexpired term of Justice Chapman and called for a Democratic Primary to nominate candidates for the office.

A law suit appeared imminent to contest Warren's special primary call to select a Supreme Court Justice in which he outlived Republican participation.

Watson stated that he notified the Secretary's office as well as Weldon Starry, Governor's Aide, that there would be a court fight if the special primary order was not altered to include Republicans.

E. Harris Drew was sworn in to fill Chapman's unexpired term and he also qualified as Democratic candidate for the office to run in the special primary.

Sgt. Bobby Phillips, who visited relatives in Pahokee over the week end, has returned to McDill Field in Tampa where he is stationed with the Airforce.

Dr. Paul Vickers Is State Veterinarian

TAMPA — Dr. Paul Vickers, secretary and former president of the State Board of Veterinarian Examiners, was named state veterinarian at a meeting of the State Livestock Sanitary Board last week.

The appointment of the 41 year-old Tallahassee man signaled the end of a month-long deadlock over filling the position. Dr. Vickers was reportedly the personal choice of Governor Warren.

The board had been evenly split, four to four, on the question of appointing a successor to the late Dr. J. V. Knapp. Those opposing Vickers were said to favor Dr. C. L. Campbell, who had been acting state veterinarian since Dr. Knapp's death June 6th.

The balance of power seemed to be tipped when Governor Warren failed to re-appoint J. Olin Pearce,

Okechobee cattleman, as representative of the Sixth Congressional District to the board. Pearce, chairman of the group, was replaced by Paul Frizzell, a Murdock cattleman, who attended his first meeting.

Dr. Vickers was graduated from Alabama Polytechnic Institute and has been in general practice as a veterinarian in Tallahassee since 1937. He is president of the Chattahoochee Valley Veterinarian Society and a former president of the State Veterinary-Medical Association.

Mrs. Johnnie Davis has returned from a two weeks vacation spent in Wauchula, with her parents, Mr. and Mrs. J. C. Phillips and with relatives and friends in Tampa.

Miss Nancy Perkins has returned to her home in Ft. Pierce after visiting her cousins Mr. and Mrs. Robert Aepelgren.

Mr. and Mrs. Marvin Vandegrift and daughter Ruthelle have returned from three weeks vacation in the Carolinas.

Mr. and Mrs. Collis Orr are visiting relatives in Georgia for two weeks.

Mr. and Mrs. George B. Ramey and daughter Phoebe Ann have returned from a visit with the Rev. and Mrs. James E. Statham in Key West. They were the guests for several days of Mr. and Mrs. Homer Clause at Camp Sanford on Lake Kerr.
